NOSTRADAMUS REVEALS:

how Jesus could have survived the Crucifixion

***why the Fish was the original symbol of
Christianity***

who really caused the Mongol invasions

...and much more, including,

dark secrets of King David's Holy Blood,

a mysterious empire in the East,

almost forgotten alphabets of Ireland,

the origin of Provençal troubadour poetic style

and the source of Medieval Romanticism.

A researcher finds a new world of relevance in Nostradamus. The author uses clear prose and sound scholarship to present an original contribution to a fascinating field of study.
